Re: Barrick Mercur Gold Mines, Inc.
Self Bonding and Indemnity Agreement ACT/045/017

Dear Randy:

Pursuant to our telephone conversation of this morning, I am delivering the original Self Bonding and Indemnity Agreement between the State of Utah and Barrick. As you will note, the document has been signed by Frank D. Wicks on behalf of Barrick Mercur Gold Mines Inc. and by Jerry Garbutt and Robert M. Smith for American Barrick Resources Corporation.

Upon execution of the document by Greg Williams for the Board of Oil, Gas and Mining, will you please send me a photo copy of the Agreement without attachments. I will then make copies for distribution to Barrick.

Thank you for your time and consideration in this matter. I am planning to be in attendance at the board meeting on December 4, 1986 should any questions arise.

Very truly yours,

David R. Bird

SELF BONDING AND INDEMNITY AGREEMENT

This Self Bonding and Indemnity Agreement (hereinafter referred to as "Agreement") entered into by American Barrick Resources Corporation (formerly Barrick Resources Corporation) and Barrick Mercur Gold Mines Inc. (hereinafter jointly referred to as "Barrick") and the State of Utah, Department of Natural Resources, Board of Oil, Gas and Mining (hereinafter referred to as "Board"),

WITNESSETH

WHEREAS, Barrick Mercur Gold Mines Inc. has obtained Permit No. ACT/045/017 (as amended) from the Division of Oil, Gas and Mining to operate the Mercur Mine in Tooele County, Utah as an open pit gold mine under the Mined Land Reclamation Act, Utah Code Annotated, §§ 40-8-1 et seq, 1953 as amended ("Act") and implementing regulations; on the premises specifically described in EXHIBIT A and shown on the supplemental map attached thereto; and

WHEREAS, Barrick wishes to obtain a bond to operate an open pit gold mine under Permit No. ACT/045/017 (as amended) under § 40-8-14(3); and

WHEREAS, Barrick has designated David R. Bird, Esq., Parsons, Behle & Latimer, 185 South State Street, Suite 700, Salt Lake City, Utah 84147-0898 as its agent for Service of Process in the State of Utah, and

WHEREAS, American Barrick Resources Corporation has been in continuous operation as a business entity for the last five years; and

WHEREAS, American Barrick Resources Corporation meets the financial criteria for self bonding (as shown in the attached financial sheet); and

WHEREAS, American Barrick Resources Corporation has submitted to the Division of Oil, Gas and Mining and Board financial statements which are accompanied by an audit opinion prepared by Coopers & Lybrand, accountants;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Barrick does hereby agree to be held and bonds to the Board for the sum of \$6,657,000.00 (1999 dollars) for the timely performance of reclamation responsibilities for the Mercur Mine, Permit No. ACT/045/017 (as amended) in lawful money of the United States. By the submission of this Agreement, Barrick will and truly binds itself, its successors and assigns, jointly and severally by these presents.

The conditions of the above obligations are as follows:

1. Barrick shall perform all duties and fulfill all requirements applicable to reclamation as set forth in the Act, the regulations adopted pursuant to the Act and the conditions of the permit to conduct open pit mining operations under Permit No. ACT/045/017 (as amended) issued by the Division.
2. The liability of Barrick under the Agreement is conditioned upon successful reclamation of the permit area as provided in the reclamation plan for Permit No. ACT/045/017 (as amended) for a period of time and in the manner specified in the Act, regulations adopted pursuant thereto, and the conditions set forth in Permit No. ACT/045/017 (as amended) issued by the Division. At no time shall the liability or responsibility of Barrick hereunder exceed the sum of \$6,657,000.00 (1999 dollars). Provided, however, that the Board may adjust the amount of the liability hereunder as provided in Section 6 hereof.
3. Barrick does hereby agree to indemnify and hold the Board harmless from any claim, demand, liability costs, charge or suit brought by a third party as a result of Barrick's failure to abide by

the terms and conditions of the Reclamation Plan as set forth in the Mining Permit No. ACT/045/017 (as amended) and from any failure to comply with the terms of the Agreement.

4. The Board shall give Barrick, or its designated agent herein, notice of any claim and any legal proceedings within the scope of the indemnity set forth at Section 3.
5. Upon successful completion of part or all of the obligations secured hereby, Barrick may petition the Board for a final release of part or all of the obligations under this Agreement. Upon such petition, the Division of Oil, Gas and Mining shall timely conduct an inspection to ascertain whether the duties and obligations of Barrick under the Act, the regulations adopted pursuant thereto, and Permit No. ACT/045/017 (as amended) have been fulfilled. If such duties and obligations have been fulfilled, the Board shall release Barrick from part or all of its obligations under this Agreement and shall file a notice of such release in the property records of Tooele County, Utah.

6. This Agreement shall be reviewed periodically by the Division, or reviewed upon petition by Barrick in accordance with the Act and implementing regulations and the amount of liability under this Agreement may be adjusted where it is clearly established that the cost of future reclamation has materially changed.
7. This Agreement may be terminated upon 90 days prior written notice to the Board if terminated by Barrick or upon 90 days prior written notice to Barrick if terminated by the Board. Upon such written notification, Barrick will have 90 days to obtain an alternate form of bond to secure reclamation obligations for Permit No. ACT/045/017 (as amended) in the same amount as stated herein and amendments thereto.

SO AGREED this _____ day of November, 1986.
